

OUR MISSION

THE AIM OF THE CHARITY IS TO SUPPORT CHILDREN AND TEENAGERS IN THE GREATER MANCHESTER AREA WITH SPECIALISED PIECES OF EQUIPMENT TO HELP THEM LIVE THEIR LIVES TO THE FULL. WE SUPPORT CHILDREN WITH DISABILITIES, CHILDREN LIVING IN POVERTY AND SMALL ORGANISATIONS WITHIN THE LOCAL AREA. WE NEVER GIVE CASH OR VOUCHERS, OR SUPPLY ITEMS FOR A HOUSEHOLD, ONLY ITEMS FOR CHILDREN. WE DO HELP WITH SCHOOL UNIFORMS IN THE SUMMER AND PRESENTS AND FOOD HAMPER AT CHRISTMAS TIME.

The Frost Foundation was a recipient of funds raised at Dr Michael Josephsons first Charitable Ball in 2018

It received an amount of £24,522

That money was so gratefully received and made a massive difference to the work of the charity.

It enabled us to purchase a Special Walker for a young girl with Cerebral Palsy who had never walked before and made a huge difference to her life.

We were also able to purchase Sensory Equipment for numerous children who have Autism, along with Outdoor Play Equipment for a small nursery in a deprived area of Salford

A further donation of £1000 was donated in 2022 to purchase Christmas Selection Boxes for many local children living on poverty.
