

**Donation to the NSPCC's Childline Service in the north west of England from the 2024 Michael Josephson MBE Charity Ball:**

The NSPCC very gratefully received a donation of £1,150 towards funding its Childline Service here in Salford. It costs the NSPCC £4 to answer every contact from a child to Childline, therefore this generous donation will be enough to pay for 287 calls from children living in and around the region.

That is 287 children who have been given a lifeline thanks to your help.

Our thanks go to you Michael and all your extremely generous guests that attended the 2024 Ball.
